Swede Hanson W. Laurent Soucie (By pin, after a Giant Knee Drop, to the throat.)
Salvatore Bellomo W. Baron Scicluna (By pin, after a Flying Dropkick, and a Flying Big Splash.)
Bob Orton, Jr. W. Pedro Morales -DQ. (The Finale of the bout occurred, when Morales tried to finish off Orton, Jr., and the referee intervened. Morales, who already lost his temper, then, flung the referee to the mat. The official, then, promptly disqualified Pedro, for his infraction of the rules. This bout had alot of great action, with Orton, Jr. giving his all. Orton, Jr. looked sensational in mat combat. During this match, Orton, Jr. executed a Fantastic High Vertical Suplex, on Pedro. Morales looked somewhat inept in this battle, compared to the highly skilled Orton, Jr., who is a brilliant mat ace. Morales is a good wrestler, but Orton, Jr is a great wrestler. Orton, Jr. was, indeed, very happy that he won this bout, even if it was by disqualification. Veteran Morales should try to keep his Latin Temper in check, in future battles, with Orton, Jr., or any other grapplers.)
Blackjack Mulligan W. Special Delivery Jones (By pin, with a One Leg/½ Jack-Knife Cradle, after a Devastating Flying Elbow Drop, to the upper chest.)
Steve Travis W. Charlie Fulton (By pin,with a Small Package/Jack -Knife-Inside Cradle Roll Up.)
Bob Backlund W. Jimmy Snuka (Steel Cage Match: At the outset of this titanic battle, Backlund laced it into Snuka, full blast. Bob rammed Snuka, into the steel fence, busting Jimmy's forehead wide open. Snuka's forehead was, indeed, cut bloody. Bob, then, rubbed Jimmy's injured forehead across the steel fence, making it worse than it was. Bob kicked Jimmy, as well as banging his bloody head against the mat. Bob Head-Butted Snuka, only to have Snuka, soon, do the same to him. Snuka, then, came to life, and softened Bob up, with some well placed Martial Arts Karate

Thrusts/Jabs. Snuka, then, used a Flying Leg Drop, on Bob, across his throat. Snuka, then, used a couple of Crushing Knee Drops, to Backlund's throat. Bob was then floored by Snuka, with a Painful Suplex. Snuka seeing his chance to destroy Bob, climbed the steel fence, and stood on the top of it. Snuka, then, executed his Dreaded "Superfly"-Flying Body-press Dive, to try to nail Bob. Backlund, then, rolled out of the way, just in time. Snuka, then, landed on the mat, upper body first. Snuka, indeed, missing his target and was devastated, stunned, and hurt, by the impact of the dive. Backlund, seeing Snuka hurt, crawled quickly out of the ring, and out of the steel cage door. Snuka was only inches away from Bob, when Backlund left the ring. Snuka, at that time, did not have the strength, to pull Bob away from getting out of the steel cage. Out on the ringside floor, Backlund, was declared the proud victor. Snuka was injured, but he was not really done in. This was a great match, with both wrestlers out to do the other in. Bob was very lucky that he came out of this bout, as the winner. Snuka is one hell of a great mat man, and gave Backlund, a real tough time.)

Jay & Jules Strongbow W. Mr. Fuji & Mr. Saito (Special Guest Referee, Ivan Putski: Jay pinned Fuji, after the Japanese mat star missed with a Flying Backward Head-Butt Dive, that was attempted on Jay. Referee Putski tolled the fatal three count, not realizing that Fuji's leg was on the bottom ring rope, during the count. The Indians were declared the winners, in this chapter of their long running feud, with the crafty Japanese Duo.)

Tony Garea W. Adrian Adonis -DQ. (The Finish occurred, when Adonis had his "Goodnight Irene"-Sleeper Hold on Garea, but it was not applied that secure. This action took place when Garea was in the ring, leaning on the ropes, and Adonis was out of the ring, on the outside ring apron. The referee got out of the ring, and tried to stop Adonis' fever pitch on-slaught on Garea. The referee was then assaulted by Adonis, and landed on the ringside floor. The referee, then, promptly disqualified Adonis, for illegal tactics. Garea, of course, was declared the winner, via the dis-qualification route.)

Tony Atlas W. Greg Valentine -C.O.R. (Atlas took the measure of Valentine, in this rough affair, by giving him a series of Painfull Head-Butts. Greg then ended up, outside of the ring, and tried to clear up his cob webs. Valentine, then, got on the outside ring apron, and recieved a Powerful Head-Butt from Tony, who was in the ring. Valentine, of course, could not take this wild action, and soon left for safety of his dressing room. Greg was, indeed, counted out, outside of the ring, by the referee. The victor of this exciting event was a very proud Atlas.)

TRIP TO THE 15TH ANNUAL WRESTLING FANS INTERNATIONAL ASSOCIATION CONVENTION

JULY 8-11, 1982 --- HOWARD JOHNSON'S MOTOR LODGE - DOWNTOWN, INDIANAPOLIS, INDIANA

By

PAUL ABBINANTE

7/10/82 MARKET SQUARE ARENA, INDIANAPOLIS, INDIANA

El Bracero (Jose Martinez) DREW Max Blue (As the bell rang, to signal the end of the bout, Bracero was giving Blue what for. Blue was being kicked, by Bracero, many times, in this rough encounter. Bracero and Blue fought a very hard match, and put forth a great effort, to do the other in. This match went to the full time limit, resulting in a draw decision.)

J.R. Hogg W. Zoltan The Great -DQ. (The rough and tough Zoltan was disqualified, by the referee, for leaping off the top ring rope/corner turnbuckle on to his super heavyweight opponent, Hogg. J.R., of course, was declared the winner, because of Zoltan's infraction of the rules. Both of these grapplers gave it their all, in this brutal battle.)

Harley Race W. Chief Bobby Bold Eagle (Race scored a pin, on Bobby, after dropping him, throat first, on the top ring rope; followed then by a Devastating Knee Drop, to the Chief's head. Race and Bold Eagle fought Non-Stop, throughout this exciting bout.)

Wilbur Snyder & Rufus R. Jones W. Jerry Valiant & The Great Abdullah (Snyder pinned Abdullah, after Jones struck Abdullah, knocking him down to the mat, with a Shoulder/Forearm Block Attack. This move by Jones is called "The Freight Train". All four men gave a good account of themselves, in this tremendous event.)

Rufus R. Jones W. Max Blue (By pin, after two great "Freight Train" Attacks-Shoulder/Forearm Blocks, followed then by a punishing Head-Butt. Rufus is a big grappler, and showed young Max what pro wrestling is really all about.)

Bobo Brazil W. Rev. Tiny Hampton (Loser Leaves Town Match: By pin, after a Sensational Jumping Head-Butt. These two men carried their vicious feud one step further, by adding this chapter, in their never ending struggle, to wipe the other one out. It looks like Big Bobo did this area a service, and finally sent the good preacher packing, hopefully, for good.)

Paul Christy & Miss Bunny Love W. Spike Huber & Tina Carr (This match ended when all four grapplers were fighting, out of control. During this wild skirmish, Christy knocked Tina down to the mat, by accident. Bunny quickly pinned Tina, to score the victory, for her team. This bout had a lot of good action, with Christy taking a beating, at times, from Spike. Tina more than held her own, against Bunny. These two women dislike each other, just like Spike has no use for Christy. All and all this bout was, indeed, very interesting.)

Harley Race D.C.O.R. Dick The Bruiser (The end occurred, when both Race and The Bruiser were outside of the ring. Race got the better of The Bruiser, by Body Slamming him, on the hard concrete ring side floor. Race, then, seeing The Bruiser, somewhat stunned, tried a Diving Head-Butt on The Bruiser. Dick, then, moved out of the way, just in time, and Race hit the concrete ring side floor, head first. Harley's forehe was cut bloody. The Bruiser, who revived, then, got the advantage over the wounded Race, by punching him out. Race's forehead got bloodier an bloodier, due to The Bruiser's tactics. While all this was going on,

(Continued)

the referee, of course, already counted Race and The Bruiser out, outside of the ring. The Bruiser, then, gave Harley a good going over, in the ring. Race looked pretty good in this match, and so did Dick, but The Bruiser gave Race a real good beating at the finish. These two Veteran Grapplers went at it like two wild Jungle Creatures, and had The Pro Wrestling Fans going wild throughout this titanic match.)

NOTES ON THE INDIANAPOLIS CARD:

The Highlight of this card was the main event,the appearance of Six Times Former N.W.A. World H.C., Harley Race, who is now The Current W.W.A. World H.C. Harley faced The Current N.W.A. Missouri H.C., and Former W.W.A. World H.C., Dick The Bruiser. This match was a sensational battle between two of the world's greatest mat legends. These two foes have faced each other numerous times, and have created havoc in their struggle for grappling supremacy. These two veteran athletes showed The Pro Wrestling Fans what excitement in the squared circle is all about. Harley, also, wrestled earlier on this card, and faced Veteran, Chief Bobby Bold Eagle, in a non-title bout. Race is one great grappler. Another terrific bout on this card was a most interesting mixed tag team affair, between young mat sensation, Spike Huber, and his lovely partner, Tina Carr; against the rough combo of Paul Christy and Miss Bunny Love. This was an action packed event, and a treat to witness. This type of bout is highly unusual, and had the crowd screaming. Spike is a great grappler, and will be even greater as time goes by. Huber is a Former W.W.A. World T.T.C., he held this title with Veteran Mat Great, Wilbur Snyder. Another terrific event on this card was between Former W.W.A. World H.C., and Former N.W.A. U.S. H.C., Bobo Brazil, who faced his arch rival, Rev. Tiny Hampton, in a "Loser Leaves Town" match. This was another action packed bout, between two veteran mat men, that had The Pro Wrestling Fans yelling for more. The other matches on the card were very interesting, also, and had great mat action, through and through. The Fans and Conventioneers in attendence, had an unforgettable night of Pro Wrestling; that they will always remember, in years to come.

During this card, The W.F.I.A. was saluted, and also, W.F.I.A. Executive Direector, Don Wilson; and W.F.I.A. Board Member, Dave Burzynski presented Bobo Brazil with an award for W.F.I.A. "Outstanding Wrestler". Brazil was very happy and proud, that he won this most coveted prize.

This card was filmed by T.V. Station, W.R.T.V. (A.B.C.)-Channel Six, to be shown on the air, at a later date. The personable, former wrestler, Sam Menacker, was the T.V. Commentator, and conducted live on-the-spot interviews, with the wrestlers, between bouts. This, in itself, was very enjoyable to see.

EXTRA SPECIAL NOTE:

This card was Promoted and Presented by The World Wrestling Association (W.W.A.)/Championship Wrestling, Incorporated, Of Indianapolis, Indiana. This Organization has limited affiliations, with both The American Wrestling Association (A.W.A.), and The National Wrestling Alliance (N.W.A.).

*NOTES: This listing of The W.F.I.A. Awards is not in the exact order that they were given out. Assistant Director of The W.F.I.A., Jim Ross, did a great job, with the presentation of the awards, in more ways than one. Last, but not least, we, The Co-Editors, Paul Abbinante and Kenneth Levitt, Of S.T.H., are very happy and proud that we won an award for "BEST FAN CLUB PUBLICATION (RESULTS)". We thank the W.F.I.A., for presenting us, with the award, and we, also, thank our correspondents; for their cooperation, in making our publication, what it is today. Once again, thank you all,very much.

SOME CONVENTION HAPPENINGS:

The days of the convention were filled with festivites supreme. A number of Pro Wrestling Personalities made appearances at this event. W.W.A./Championship Wrestling, Incoporated T.V. Commentator, and Former Pro Wrestler, Sam Menacker, made a number of appearances, during the days of the convention; and spoke to the conventioneers,at great length, about their favorite sport,"Pro Wrestling". Mr. Menacker, is indeed, a very knowledgeable man, and had the conventioneers captivated, with his stories of the sport, and he showed us his expertise, in the field of "Magic", and he demonstrated his unique skill. Former N.W.A. President, and former ST. Louis, Missouri Promoter, Sam Muchnick, attended this convention, and spoke to a crowd of avid listeners. Mr. Muchnick, is indeed, a very interesting gentleman, and is well versed in the sport of Pro Wrestling, in many aspects. Up and coming mat great, Spike Huber, and Super Heavyweight, J.R. Hogg, addressed everyone, at different intervals. Jerry Valiant, also, attended the convention, and spoke to the crowd about his career. Valiant is a gentleman outside of the ring, and treated the W.F.I.A. Conventioneers with respect. El Bracero (Jose Martinez), along with Jose Elizia, spent some time at the convention, to delight of the conventioneers. Zoltan The Great, also, made the scene, and spoke with some of the conventioneers. Zoltan is one hell of a great guy. Lady wrestler, Princess Dark Cloud (Juanita Wright), attended the convention, and mixed with rest of the conventioneers, as well. Juanita will one day be on top in her field. We, also, viewed some Pro Wrestling Bouts, via a video machine/T.V. The Bouts that we saw, were from various places, ST. Louis,Missouri, and Memphis,Tennessee. On regular cable T.V., we saw two cards of Georgia Championship Wrestling, which were great, indeed. The banquet awards luncheon was excellent. Sam Menacker, and Sam Muchnick, both attended this sensational gala event, with a host of Pro Wrestling Personalities, Such as Dick The Bruiser, Spike Huber, Chief Bobby Bold Eagle, J.R. Hogg, Jerry Valiant, Zoltan The Great, and Juanita Wright (Princess Dark Cloud). Everyone who attended this affair had quite a good time. This was a memorable event, and will be remembered, by all who had the pleasure to be there.

who is the editor of the two years in a row award winning publication, "Wrestling, Ring Side News". David is also, the president of the Spike Huber Fan Club, "The Atomic Drop". David introduced us, at one point, in a resturant, to former great Japanese Mat Star, Mitsu Arakawa, who was a legend in his own time. Mr. and Mrs. Walt Justice, of Rochester, New York, The Father and Mother of The Late Terry Justice, who was a great Pro Wrestling Writer, attended the convention, and met with the conventioneers. This writer, Paul Abbinante, along with Pro Wrestling Writer, Tom Burke, met with Mr. & Mrs. Justice, and reminisced about Terry. Walt Justice, at the awards banquet luncheon, accepted an award, in the memory of Terry. This was a fine and thoughtful gesture on the part of The W.F.I.A. At one of the meetings, Tom Burke did a reading and acknowledged, along with The W.F.I.A., the passing of a beloved human being, Terry Justice, with great sorrow. Once again, we thank all of these wonderful people, and a host of others, for making this convention, a memorable one.

The next Wrestling Fans International Association (W.F.I.A.) Convention, will be in 1983, and held in Memphis, Tennessee. Please support The W.F.I.A., in every way that you can. We hope to see you all, in Memphis, Tennessee, next year, for our convention.
